PROFESSIONAL SUMMARY

Filmmaker, videographer and editor with a BCA degree and 2.5 years of experience in short films, brand ads and client videos. Wrote, directed, shot and edited the released short film *Kaval* and worked as Assistant DOP on a commercial ad shoot using the Sony FX3 with G Master lenses and lighting setups. Created 30+ reels and videos for resort, cafe, clothing and education brands. Seeking a role in video production, filmmaking or editing.

PROJECTS & SET EXPERIENCE

Kaval (Short Film, Released) | Writer, Storyboard, Director, DOP, Editor

- Complete one-person production: wrote the script, planned the shot sequence, directed, shot and edited in Premiere Pro
- Published on Instagram with a behind-the-scenes reel documenting the process

Pathivazhiyil (Short Film, Unreleased) | Writer, Storyboard, DOP, Editor

- Second short film, written, shot and edited independently; available to view on request

Toothsuite: "An Aligner Connection" (Brand Ad Film) | Assistant DOP

- Handled the Sony FX3 with G Master lenses on a commercial shoot; supported the DOP with camera setup, lens changes and lighting setups

WORK EXPERIENCE

Freelance Filmmaker, Videographer & Editor | Kerala | 2024 - Present

- Shot and edited 30+ reels, promos and short videos for resort, cafe, clothing and education clients
- Handled the full workflow: concept, shooting, lighting, editing, sound and delivery for social media platforms
- Edited in Premiere Pro, After Effects (basic motion graphics) and CapCut; created designs in Photoshop and Canva
- Used AI tools (Higgsfield, Magnific, Freepik) to create visual content for brand campaigns
- Supported client social media with content calendars, Instagram strategy and Meta Ads basics

Desktop Support Engineer | Kerala | August 2022 - July 2023

- Provided hardware, software, networking and operating system support across multiple systems
